### Car-Train Crash Kills Two Local Men Wed. Evening

Elmer Hawkins and Frank Pitner Were Killed Instantly

A tragic accident involving a passenger car and a Soo Line train resulted in the instant death of Elmer L. Hawkins, 29, Depot st., Antioch, and Frank H. Pitner, 29, Iowa ave., Ingleside, last night (Wednesday) at 8:45 p. m. The scene of the accident was the Depot street crossing.

Hawkins, son of Mr. and Mrs. Arthur Hawkins, Sr., of North Main st., was driving a 1953 Plymouth sedan, approaching the crossing from the west, and the train, a passenger, was going north.

Herman Holbek, captain of the Antioch Rescue squad, was on the station platform to see Mrs. Holbek off on the train for a trip to Wisconsin. He stated that the impact of the collision was terrific and that the train struck the car exactly in the center, carrying it several hundred feet up the tracks.

Hawkins was thrown an estimated 40 feet directly in the path of the oncoming train, and his body was found under the third car of the train, according to the Lake County Sheriff's report. Pitner was also thrown from the car and his body was completely severed by the train, and found under the fifth car of the train.

Pitner was employed at the Lindeman Body Shop, 812 10th st., Waukegan, and had taken the Hawkins car to the shop on Wednesday for a minor repair. It is believed that the accident occurred while the two men were testing the car.

**Pitner Funeral Saturday**  
Funeral services for Pitner will be held from the Strang Funeral home on Saturday at 1 p. m. He was born in Chicago on July 3, 1924, the son of Frank H. Pitner and Olga Pitner, both residents of Ingleside, where they brought the deceased at the age of three.

Survivors include, besides the parents, a brother, Robert; and his maternal grandmother, Josephine E. Simonek of Ingleside.

He was a veteran of World War II, serving for 18 months in the air force, and was a member of the Brewster Flying club, Waukegan.

No arrangements for the Hawkins funeral had been made at press time today, due to the father and brother of the victim being on a fishing trip in Minnesota and Wisconsin. Police of Wisconsin and Minnesota are on the lookout for the men and it is believed that they will be located soon.

Elmer Hawkins was born in Antioch on October 13, 1923 and lived all his life in Antioch, with the exception of time spent in the armed forces during World War II.

He was married on Sept. 18, 1950 to Hazel Saunders of Spring Grove, Ill., and the couple have made their home in Antioch since. They were the parents of two children, James Robert, 2, and Ginger Lee, six weeks. He was employed by the Inland Lakes Sewer and Water company of Grayslake.

Surviving are his parents, Mr. and Mrs. Arthur Hawkins, Sr., three brothers, George O., Antioch; Robert A., Elgin; and Arthur C., Grayslake; and one sister, Gertrude.

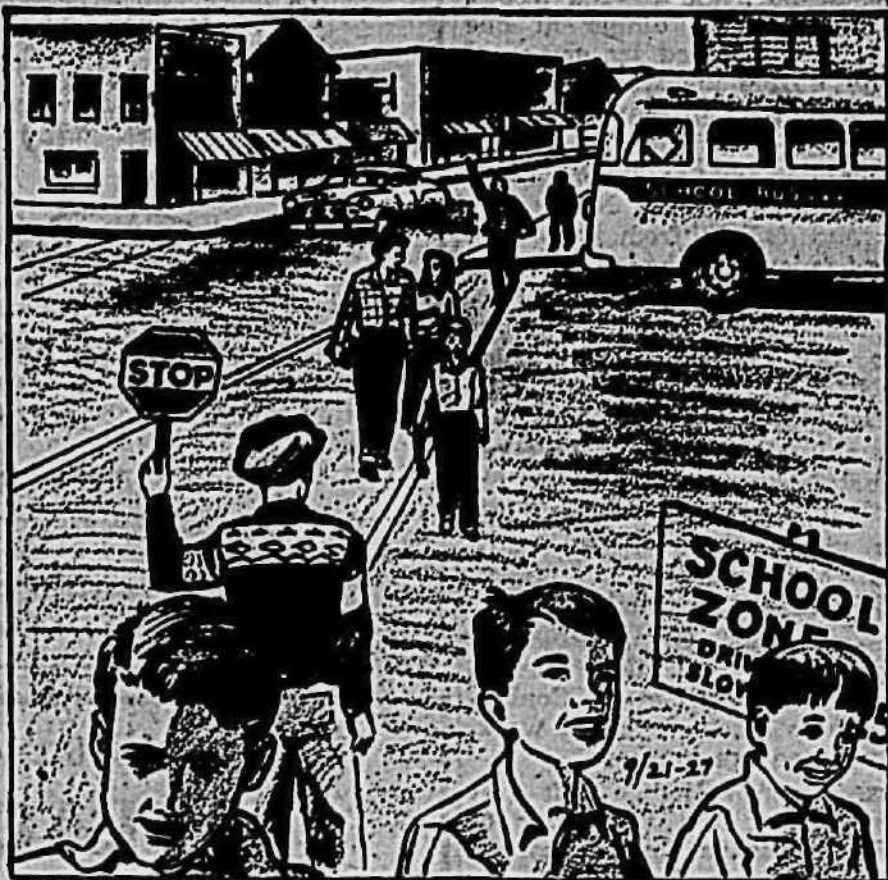

He was a member of the Antioch Sequoit Lodge A. F. & A. M., and a former member of the Antioch Fire department and Antioch Rescue squad.

### Appoints McConnell To Interim Commission

Speaker Warren L. Wood of the Illinois House of Representatives has appointed Representative A. B. McConnell (R) of Woodstock to the Interim Commission to study the requirements of the Grade A milk law.

The commission's duty is to study the requirements of the present state law and the regulations of local health departments with the purpose of determining whether the contributions of such requirements to public health is sufficient to justify the burden they impose upon the dairy farmer. This commission is to report to the 69th general assembly in 1955. The makeup of this commission probably will be nearly the same as the one which drafted the brucellosis laws which were passed in the last general assembly of which Rep. McConnell was a member.

### County Commission Builds Backlog of 1,800 Apr. Jurors

The Lake County Jury commission which launched its operations last January has built up a backlog of 1800 qualified and approved jurors for the County and Circuit Courts to call on.

When such a commission became mandatory under state law by reason of the county reaching a population of 140,000, the supervisory committee, consisting of the three Lake county judges, Bernard M. Decker of the circuit court, Minard E. Hulse of the county court, and Charles E. Jack of the probate court, appointed the three member commission who are Mrs. Helen D. Hawes, of Deerfield, who recently moved to Highland Park, representing the women's groups and the southern part of the county; Casper Apeland of Waukegan, who represents the industrial section and heavily populated Waukegan area; and Alfred D. Smith, of Libertyville, representing the western and rural sections of the county.

In turn appointed the jury clerk, Mrs. Eva Ailing, of Waukegan, who manages the office detail.

Since opening the office, the Commission has sent out 5,074 questionnaires to registered voters of the county, and has interviewed all but a very few. From this group the commission has approved 2,303 persons for jury service with the others being eliminated because of occupational exemptions, removal from the county, hearing difficulties, extreme age or physical impairment, or because of their unfamiliarity with the English language.

**Condition Prospective Jurors**  
The prospective jurors are conditioned for jury service through the interview with the jury commissioner. Gone are days when "press of business" or importance to "my (continued on page six)

**Rescue Squad Aids Two Injured in Car Crash On Rte. 21 on Sunday**

The Antioch Rescue squad gave first aid Sunday morning to Joseph Cienciak, 28, of 1430 S. 47th st., Cicero, after he lost control of his car on Rte. 21 near Rollins rd. and turned over several times in a ditch, and too, to his passenger, Genevieve Dumes, 25, of 4919 W. Roosevelt rd., Cicero.

Miss Dumes suffered a broken collar bone, chest injuries and shock, and Cienciak suffered facial lacerations.

They were taken in the Rescue squad ambulance to St. Therese hospital for treatment.

### Lions Club's Fall Golf Tournament on Sept. 30

The fall golf tournament of the Lions club will be held Wednesday, Sept. 30 at the Chain O' Lakes Country Club.

Following the tournament dinner will be served at the club house. Members will be privileged to bring guests. Morris Pickus is chairman of the committee in charge. Other members are C. E. Gaffey and L. D. Sexauer.

There will be golf and prizes.

### Oct. 4 - 10 Proclaimed Fire Prevention Week; Firemen Will Inspect

Fire Prevention Week will be observed in Antioch Oct. 4 to 10 inclusive, Fire Chief Edgar Simonsen announced today.

During that week members of the fire department will inspect schools, stores, and other public buildings to detect any fire hazards and have them removed.

There will be fire drills at the schools.

Chief Simonsen said that he has obtained several 20-minute films pertaining to fire prevention and safety procedures and these will be shown in the schools.

Because of the recent announcement that the Chicago area which includes Antioch is a prime target for enemy attack, it is expected that the drills during Fire Prevention Week will have more significance. Some villages are planning to stage a civilian defense rehearsal.

During Fire Prevention Week property owners are expected to clean out storage places of any materials that would easily ignite from spontaneous combustion. This would include oil saturated rags. Worn light cords, broken electric sockets and outlets would also be repaired or replaced.

### First Home Game for Salem Central Friday; Wilmot at Lake Geneva

Salem Central will play Harvard (Ill.) High school in the new high school's first home game tomorrow (Friday) evening.

Coach Cliff Petersen's team is seeking its first victory and as Harvard lost last week to Lake Geneva 19 to 0, that team gave evidence that it is not so strong that it can not be defeated.

Wilmot, loser to Antioch in a close game here Saturday night 8-6, will play at Lake Geneva tomorrow. Coach Buccell's boys have a tough job ahead of them because the Resorers have much reserve strength, while Wilmot will depend largely on sophomores.

Lake Geneva tied for second place last year in the SWAN conference.

### Sound Film on Indians Of Southwest Available

A new 16mm motion picture titled "Arts and Crafts of the Southwest Indians" has just been released by the Santa Fe Railway. A color production with sound commentary, this film brings to the screen in two parts the story of today's Indian artisans.

The creation of beautifully and intricately painted pottery from a ball of gray clay and handsome jewelry from scrap silver and mined turquoise is only a small part of this film which runs 22 minutes. The first half is devoted to the Navajos, and the second section to the Pueblo type Indians such as the Zunis.

Prints are available on a free loan basis for showing to your favorite civic club, church group, employee association or school club. Requests should be addressed to the Santa Fe Film Bureau, 80 East Jackson Blvd., Chicago 4, Ill.

### Antioch Beats Wilmot; Will Meet Palatine Here Saturday Nite

Sophomores Win in Preliminary with Wauconda; Play Palatine Sops

After staging a creditable performance in the opening football game with Wilmot Saturday evening, defeating the Wisconsinites 8 to 6, the Antioch Sequoits turned their attention to the opening conference game with Palatine here Saturday night.

Palatine won its opening game from Libertyville 14 to 6 last week and gave evidence of strength which will be a challenge to Antioch in the coming event.

The Sequoits weathered an epidemic of penalties which cost them 80 yards in the first half to return for a victory in the second half against Wilmot.

Wilmot got but four first downs in the first half, and three of them were benefits from Antioch penalties. In the last half the visitors failed to make a down from scrimmage.

Strong defensive play kept the Panthers from scoring in the first half in spite of the Antioch miscues.

In the second half Ray Arndt, Kenosha quarterback transfer, ran a kickoff 83 yards for a spectacular touchdown and a 6-point lead for Wilmot. The Sequoits then staged a drive which carried them to the 4-yard line. Although thwarted in the touchdown at this point, Antioch salvaged two points when Ben Floyd, Tom McGreal, and Phil Vos broke through to spill Ron Faber in the end zone for a safety.

**Antioch Trained in Last Half**  
Still trailing, 6-2, the Sequoits scored on nine plays from the Wilmot 43-yard line. Hal Wilson went 14 yards on three plays for the touchdown. Featured in this drive was the running of Johnny Wells; Bill Gallagher, Bill Terry, and Bill Blake, with Warren Brownlee throwing a timely pass to Ben Floyd.

Gallagher carried the ball 12 times for a total of 65 yards and an average of 5 1/2 yards. Wilson toted the ball 34 yards for an average of 8 1/2; and Blake carried it 9 (Continued on page 6)

### Council of Boy Scouts To Meet at Libertyville Wednesday, Sept. 30

The rapid population growth of teenagers in the North Shore Area council of the Boy Scouts was the subject of a special meeting recently at Council Headquarters in Highland Park. What is hoped will be a step toward effective action will take place at another meeting at the Libertyville Presbyterian church at 7:45 p. m. Sept. 30.

"No boy should be denied the benefits of Scouting," said Paul Hakanen of Libertyville who is Council chairman of the organization and extension committee, "but unless new sponsoring institutions for Cub Pack, Troops and Explorer Posts are found, we may have to say 'no' to a boy who wants to be a Scout."

Every unit of Scouts must be sponsored by an established institution such as a school, church or synagogue, civic group, labor or business organization, or by a responsible group of citizens representative of the community as a whole.

The present emphasis, according to Mr. Hakanen, is to organize a number of Explorer Posts, for boys in the older age brackets. Twelve prospective sponsoring institutions throughout the North-west District have been invited to attend Wednesday's meeting; each group will be given the opportunity to start the organization of an Explorer Post in their own institution. Each institution has been asked to send a committee of five or more fathers of Explorer age boys, along with their sons.

"These things are accomplished in partnership with the home, the school, the church and other institutions which accept responsibility for the proper guidance and education of the boys and young men of the community," continued Mr. Hakanen, "and we need partners."

### Patients at St. Therese

Mrs. Frank Toman, Felter's subdivision is a medical patient, and Mrs. Gloria Wallace is a surgical patient at St. Therese hospital in Waukegan.

### Time Change on Sunday

Return to Central Standard Time by citizens of Illinois in the Antioch area will mean an hour longer sleep Sunday morning, but to the neighbors on the north it will just be another Sunday.

The advice to Illinoisans is to set the clock back on retirement Saturday night. Despite this notification there will be persons who go to church an hour ahead of time or will miss other appointments simply because they will forget.

### Referendum Tuesday Seeks Money to Keep County Out of Debt

Increase of 15 Cents on Each \$100 Valuation Is Sought

A 20 year record of efficient, economical management and steady increase and improvement of services is pointed to by members of the Lake County Board in supporting their appeal for passage of the County Tax Referendum, Tuesday, Sept. 29.

Voters in Lake County will be asked to approve an increase in the County General Fund Tax rate of .015 cents were \$100 of assessed valuation. It is not necessary to be registered to vote in the referendum.

This increase is being sought to get the county back on its financial feet and to erase a deficit which is expected to total more than \$180,000 at the end of the current fiscal year—Nov. 30.

The county general fund, from which most of the normal operating expenditures are made, has a maximum possible tax revenue from 1952 taxes collected this summer of slightly in excess of \$299,000 which will be cut to about \$270,000 because of delinquencies and collection expenses.

This is almost the same amount derived from taxes in 1930, when the extension for the general fund was \$294,471.06.

The valuation of the county in 1930 was established at \$117,788,425 for tax purposes compared to \$636,891,762 in 1952, but the tax rate in 1930 was .25 cents per \$100 of assessed valuation compared to the present rate of .047 cents on \$100 valuation.

**Hodge Bill Cut Tax Rate**  
The Butler tax bill of 1945 raised the property valuation to 100 per cent of the fair market value, but the Hodge amendment to the bill cut the rate from .25 to .047 cents through a complicated formula, re- (Continued on page 7)

### Small Trailer, Contents Destroyed by Fire Near Village Last Saturday

Clothing and other materials belonging to Grant Berger of Cross Lake were destroyed Saturday afternoon when the trailer in which Berger was hauling them caught fire east of the village on Rte. 173 near Hunter's garage. The loss was estimated at \$300.

The Antioch fire department was called but the trailer and contents were almost destroyed before it arrived.

The firemen were called to Grass Lake Rd. near Indian Point Thursday where they extinguished a fire that started in the garbage truck of Leo Fox.

### Antioch Little League Gets \$188.33 as Share Of Pro Football Benefit

The Antioch Little League received \$188.33 as its share of profits from the Chicago Cardinal intersquad football game at Waukegan recently sponsored by the Lake County Sheriff's association.

Others sharing in the \$1,322.35 were the Little Leagues at Waukegan, Deerfield, Fox Lake, Wauconda and Highland.

Work on the new playing field of the Antioch Little League at Antioch park progressed Sunday with the removal of trees. The organization now awaits Carl Barthel's dirt removing equipment for leveling off the field.

### Local Merchants Offer Bargains to Area Shoppers

Merchants Asked to Give Special Prizes by C. of C.

Antioch merchants are getting set for Dollar Days the last three days of next week, Oct. 1, 2, and 3. Bargains are being announced in today's Antioch News and still more will be listed in next week's edition.

"We aim to beat last year's Dollar Day which was almost sensational," said George Borovicka, who is co-chairman with Dean Williams in planning the annual event.

The Chamber of Commerce has asked business men to give prizes of real value to customers next week. These may be awarded on the basis of visits to the various stores, and that these prizes of merchandises or special gifts be presented in each store on Saturday afternoon.

Each merchant will conduct his own drawing or whatever method he chooses to make the awards. It is not necessary to make a purchase in order to be eligible.

Charles Cermak, president of the Chamber of Commerce reminded the merchants that it was the low prices on highly desirable merchandise that made last year's sale a success and said that he hopes this procedure again will be followed.

"Merchandise placed on the Dollar Day sale should not be of the kind that is moving slowly or not at all. We want shoppers in the Antioch area to continue to feel that this sale like the one we had last year, is real," he added.

The bargains will go on sale Thursday morning and will be offered as long as they last until Saturday evening. Last year some stocks were exhausted, and the merchants, unprepared for the big rush, had to scurry to get replacements.

Antioch has some of the finest stores for its size in Illinois. Last year, visitors were attracted a distance of 50 miles, in taking advantage of the many bargains.

### Freshmen Elect Officers At Antioch High School

Freshmen of Antioch Township High school elected their officers during the past week. They chose Richard Vile, president; Lynn Bolton, vice-president; Marlys Arndt, secretary; and Antoinette Diorio, treasurer.

Other classes elected their officers near the close of the 1952-53 year. They are:

Seniors—Harold Wilson, president; Richard Hedberg, vice-president; Sharon Behrens, secretary; and Edwyna Chernik, treasurer.

Juniors—Warren Brownlee, president; Edward Ring, vice-president; Marcia Hogan, secretary; Milt Wolf, treasurer.

Sophomores—Donald Cardiff, president; Donna Masopust, vice-president; Jaclyn Martin, secretary; and Vernon Burdick, treasurer.

### Father Strange of St. Ignatius' Will Move to E. St. Louis

The Rev. Harvey B. Strange, pastor at St. Ignatius' Episcopal church in Antioch, has resigned his office at St. Ignatius' and will move to East St. Louis, Ill., where he will be in charge of St. Paul's parish.

The Rev. Strange has been in Antioch about two years.

The Rt. Reverend Charles T. Street, Bishop of the Episcopal Diocese of Chicago, will supply priests until a permanent replacement for Fr. Strange can be appointed.

### Steel Workers Leave Job At Local Grade School

An inter-union dispute over travel pay caused steel workers to walk off their job at the Antioch Grade school's new addition construction during the past week, school authorities said.

The argument was said to have been over travel pay involving flat rate and mileage. The contractor was not involved.

As the result of the steel work stoppage the general construction work has been slowed down again.

### Socialism Can't Be Limited

Do you think that the controversy over government socialization of the electric power resources of the electric power resources of the nation is of no concern to you?

If so, this quotation from an editorial in the Salem, Oregon, Capital Journal, should interest you: "If government operation of power is superior to private operation, it must follow that government operation of industry is generally superior."

"If this is true its benefits should not be limited, nor will they be limited to power. Rather they will tend to spread, to engulf all private enterprise until the government controls everything and everybody. This we know as totalitarianism and there is no reason to hope American totalitarianism would be any better than the foreign kind."

In other words, if it is logical and proper that government should furnish us our electricity, it is exactly as logical and proper that government should furnish our food, clothing, automobiles, newspapers, and everything else. Then government will be the only employer and the dictator of everyone.

### The Price of Farm Machinery

To say that machinery is a "must" in present-day farming is to say the obvious. Efficient equipment is the key to greater production, better production and land use, and production at minimum expense.

Moreover, the most of that machinery, measured in terms of the market value of basic farm products, is less than it was before the last world war.

That fact is brought out by Dr. Earl L. Butz of Purdue University. During the first six months of this year, he says, the farmer could buy a typical two-plow tractor for the money received from the sale of 51 hogs, while before World War II it would have taken 64 hogs. And the equipment was cheaper also in terms of milk, corn and wheat, even though

these commodities were down in price at the time the comparison was made.

Dr. Butz stresses another highly important fact. In the first six months of 1953 wage rates for farm labor were 423 per cent of the 1935-39 farm level. Prices received by farmers were at 246 per cent of that level—and the price of new farm machinery at 203 per cent. As he says, "These data again serve to illustrate that it is good economy to substitute machinery for expensive labor."

The machine started an agricultural revolution a little more than a century ago. That revolution continues.

### End of An Era

The action of the Senate Finance Committee in refusing, by a vote of 11-10, to approve raising the federal debt limit, in spite of urgent requests by the President and other top Administration officials, indicates the present temper of national thinking.

Without going into the pros and cons involved in this specific question, it is obvious that the American people want and demand rigorous economy in government, and Congress, naturally, has begun to reflect that attitude. The era when the taxpayer would accept unbridled spending with hardly a complaint has come to an end.

### Wherever the Lines of Steel Went

We tend to take some of the most important things in life for granted, and to give them little or no thought. The railroads are a case in point.

A short time ago Defense Transport Administrator Knudson said, "Without the long lines of steel that were laid by pioneer railroaders across the United States . . . our country would not be populated and developed and civilized from the Atlantic to the Pacific Coast as it is today. Wherever the main lines and the feeder lines of our railroads went, they brought new people and businesses and trade, and transformed wildernesses into fertile agricultural regions, and made mines in the mountains and factories in the valleys."

This pioneering era has largely ended. But the importance of rail service has increased, not diminished. The rails carry—economically, safely, swiftly, dependably—most of the goods we use, and almost all of the heavy and bulky freight. They are the arteries of our industrial body. They are essential to the national defense. We couldn't do without them.

15, and if they serve this one as well as they have in the two previous ones, you won't want to miss it—remember that you get more than pancakes and bacon!

The Cyclone Fence company of Waukegan has erected a new fence at the Angola cemetery and it is a great improvement. During the past three years, the cemetery association has raised a thousand dollars for the fence but needs additional funds to complete the payment, so if anyone who has loved ones at the cemetery can help with the deficit, donations may be sent to the cemetery secretary, Mrs. Gertrude Zenor at Lake Villa.

The Pinochle club met Tuesday afternoon last week with Mrs. Johannes at her home in Villa Woods, and the pot luck dinner at one o'clock was followed by games of pinochle during the afternoon.

Mr. and Mrs. Russell Nickerson and children Donna, Terry and Tom, spent Sunday at Rockford, Ill., where they met Mrs. Nickerson's sister and family from Elizabeth, Ill., and enjoyed a picnic dinner together.

Mr. and Mrs. B. J. Hooper had as guests last Wednesday at their home Mrs. Hooper's brother, William Tiede and wife of Chicago.

Mr. and Mrs. Richard Whitaker of Sand Lake left last week for Wrentham, Mass., to visit Mr. Whitaker's mother and sisters for a month. Mr. Whitaker is connected with the Weber Duck farm.

Mr. and Mrs. Glenn Blust of Dahlinda, Ill., were guests of Mr. and Mrs. Vern Blust at the Conservation camp a few days last week. The two men are brothers.

Miss Yvonne Gindich left last week to enter the University of Illinois at Urbana for her sophomore year, transferring from Northwestern university.

Charles Kapple and Clare Doolittle of Grayslake and Mr. and Mrs. Edwin Kapple of La Grange were callers at the Albert Kapple home last Saturday.

Mr. and Mrs. Herbert Clark from

Michigan and John Clark of Millburn were dinner guests of Mr. and Mrs. B. J. Hooper last Saturday.

Mrs. B. J. Hooper, with Mrs. Al B. Maler as co-hostess, entertained the Past Matrons' club of Millburn O. E. S. at a party at the Hooper home on Thursday evening last

week. Cards were played and refreshments served. There was a good attendance of eighteen ladies of the club.

The Lake Villa church was represented on Thursday evening this week at a meeting of the Church Extension bureau at McHenry, Ill.

## LAKE VILLA

Mr. and Mrs. William J. Weber have enrolled at Lake Forest college for their senior and junior year's work, he as senior and she as junior. They have had their previous college work at Carleton college in Minnesota.

Mr. and Mrs. Jerry Plaisance of Webster Grove, Mo., were house guests of Mrs. Helen Weber at her home at Sand Lake a few days last week and left Sunday morning for a stay at Hayward, Wis.

Sunday, Sept. 27, will be observed as Rally day at the Community church and the worship service will be devoted to giving a birdseye view of the program of the church and church school. Awards will be given and promotions made. Both Junior and Cherub choirs will sing and young people will take part in the service.

On the following Sunday, Oct. 4, Worldwide Communion Sunday will be observed, and new members received into fellowship. Everyone is welcome.

The next meeting of W. S. C. S. will be on Wednesday afternoon, Oct. 7 at the church, and all ladies interested in the welfare of the church are invited. A number of the women of the society attended the luncheon and annual sale at Lake Bluff last Friday.

The men of the church will serve their third annual pancake supper at the church on Thursday, Oct.

The infant daughter of Mr. and Mrs. Francis Baeman was baptized a week ago Sunday, Sept. 13 at the

St. Gilbert's Catholic church of Grayslake. Father Fowley officiated. The sponsors were Silvio Cataldo, Jr., and Theresa Tondola of Chicago. The little miss was named Michele Julie Ann and was born Aug. 29.

Mr. and Mrs. Burt Shull and children, attended the wedding of William Beuck to Mary Ann Struba on Saturday at the Nativity B. V. M. church in Chicago. A reception was held at the church hall.

Mr. and Mrs. Harvey Bishop have moved away from our community last Thursday and will live in Bluff Lake.

### Notice to the Parents of the Lake Villa School

Due to the increased enrollment and the amount of time spent each day in the classrooms collecting money for lunches and the book-keeping involved, the teachers are asking that lunch money be sent to school on Mondays only. If you wish to pay for more than one week at a time it will be accepted. Starting Monday, Sept. 21, lunch money will be accepted on Mondays only. Money brought on any other day will be refused until the following Monday.

Your cooperation in this matter will be greatly appreciated by the child's teacher and the school office.

**Protects Against Rust, Leaks and Corrosion**

The main cause of leaks in your oil storage tank is the rust and corrosion which form inside the tank. Corrosion and rust, which eat through metal, are caused by the normal accumulation of moisture in the tank. For years the oil heat industry has been searching for a solution to this problem.

Now, the Shell Oil Company has the answer! It's **SONITOR**—a new chemical product that protects against rust and corrosion from the moment it is placed in your tank. If applied in time, SONITOR can double the life of your fuel tank!

We are happy to offer this amazing protection for storage tanks to all our customers—without extra charge. If you are not one of our customers, we shall be glad to supply you with premium-quality Shell Heating Oils—and give your tank SONITOR protection.

# SOCIETY EVENTS

## Plan Reception for High School Teaching Staff

A reception is being planned for the teaching staff of the local high school for Sunday, Oct. 11, from 3 to 5 p. m. The social event is being organized by Mrs. Richard Seyfarth, Mrs. Lester Osmond, Jr., and Mrs. William Tetty.

Parents and friends will have the opportunity to renew acquaintance with members of the faculty and to meet new members of the staff. Refreshments will be served in the school cafeteria by the planning committee.

## Reception Sunday to Close Silver Jubilee For Father Henderson

Parishioners of St. Peter's church are planning a reception in honor of the Rev. A. J. Henderson, pastor, for next Sunday evening in the church hall on the occasion of his silver jubilee as a Catholic priest. The reception will be held from 7 to 10 p. m.

The following persons will provide entertainment for the event: St. Peter's choir under the direction of Mrs. Dorothy McGreal; Joan and Carol Cervinka; Casper "Cappy" Ruth; Leonard Toepper, Sr.; Leonard Toepper, Jr.; Ronald Toepper; Penny Anderson; Carole Griener; Gene Wire, Mr. and Mrs. William Horton, Mr. and Mrs. Lester Nelson, Mr. and Mrs. Marilyn Hagen, Mr. and Mrs. Oscar Hagen, Florence E. Dexter, Rita Hilbert, Emilie Swartz, Janet Sheehan, Art McGreal, Tom McGreal, Pearl Scully, Homer La Plant, and Marian Hedberg.

Edward C. Jacobs will serve as master of ceremonies and the music for the entertainment and dancing will be provided by Art Smejkal and his orchestra. All friends of Fr. Henderson are invited to the reception.

The calendar date of the anniversary was on Tuesday and on that day Fr. Henderson celebrated high mass for the children of St. Peter's school.

Solemn high mass of thanksgiving will be solemnized at 12 noon Sunday to which all parishioners and friends are invited to attend. Msgr. Foley, rector of St. Mary of the Lake seminary, Mundelein, will preach the sermon, and St. Peter's choir under the direction of Mrs. Dorothy McGreal will sing the music.

Deacons and subdeacons for the mass are to be the Revs. Sylvester Wronka and Harry Rynard, both professors at Quigley Preparatory seminary in Chicago.

## Business Women Will Start Year At Dinner Oct. 5

The Antioch Business and Professional Women's club will open its season Monday, Oct. 5 with a dinner meeting at 6:30 at Adolph's Channel Inn.

Following the dinner a Waukegan male quartette will sing several numbers. The president, Mrs. Lilian Hand urges all members to attend this meeting. Reservations may be made by Oct. 2 with Mrs. Hand.

**ENTERTAIN AT B. & P. BENEFIT PARTY**  
Mrs. Donald Gibbs and Mrs. Wanda Oftedahl entertained 15 guests at a card party and luncheon Thursday evening at the Gibbs home. All proceeds from the party will benefit the Business and Professional Women's club of Antioch.

Mr. and Mrs. J. J. Rhymer returned home recently after a week's visit with their daughter, Mrs. C. W. Wikoff and family at Urbana.

Mr. and Mrs. Carl Nelson of Los Angeles are visiting their aunt and uncle, Mr. and Mrs. L. R. Van Patten and other relatives in Antioch and Waukegan.

Mr. and Mrs. Howard Gaston and Mr. and Mrs. Walter Schneider of Lake Villa returned home Sunday after a week's vacation in Canada.

Misses Iva Baldwin and Jeanette Richey of Elgin were guests of Mrs. Ethel Runyard at her Channel Lake home Monday.

Mrs. B. R. Burke and Mrs. L. V. Siller spent Monday in Milwaukee.

Misses Deedie and Mary Tiffany spent Tuesday in Chicago.

## Women of Moose Will Initiate 17 at Next Meeting on October 1

Eleven candidates, voted into Antioch Chapter 735, Women of the Moose, at the Sept. 17 meeting, will be initiated at the chapter night meeting, Oct. 1.

Starting with that meeting the lodge will convene at 8 p. m. through the winter months.

The Women of the Moose will hold their Halloween dance on Oct. 31. Committees appointed by Senior Regent Mrs. William Horton are as follows:

Tickets and prizes—Mrs. Joe Gortitz, chairman, Helen Wetherbe, Cecelia Christianson, and Mrs. Jack Stieber.

Decorations committee—Mrs. Walter Good, chairman; Mrs. William Meyers, Mrs. Leonard Roblin, and Mrs. Frank Kennedy, Jr.  
Costume prize committee—Mrs. Emil Hallwas, chairman; Mrs. Harry Dexter, Mrs. Leslie Palmer, and Mrs. Marilyn Hagen.

Groceries for the baskets at the Halloween dance are to be brought to the next two meetings.

Moosehaven committee chairman Mrs. Frank Kennedy, Sr., reports that her committee will hold a parcel post sale on Feb. 28.

The kitchen committee of which Sara Jung is chairman, reports its project a success so it will continue serving.

Birthday gifts from secret pals were presented to Bee Osborne, Mrs. Ben Noble, Mrs. Bird Johnson, Mrs. Walter Good, Helen Wetherbe, and Mrs. Harry Dexter.

Officers and escorts of the chapter went to Star Records meeting at Woodstock Sunday, Sept. 20 and gave the opening ceremony.

The publicity committee will meet at 7:30 p. m. Oct. 1 at the Moose lodge hall.

## Saturday, Oct. 3, Set For Kufalk-Holbek Wedding Ceremony

Invitations are being issued for the wedding of Mrs. Barbara Holbek, 610 Parkway, to Clarence E. Kufalk, Rte. 59, which will take place at 8 p. m. Saturday, Oct. 3 at the Antioch Methodist church.

A dinner will follow at 9 p. m. at Smart's Country House.  
Mr. Kufalk sold his farm stock and machinery at auction last Saturday and will come to Antioch to reside.

**V. V. C. A. Women's Auxiliary To Have Style Show, Party**  
Venetian Village Civic association Women's Auxiliary will hold a card party and luncheon at the community hall Sept. 26, at 7:30.

MariaAnne's of Antioch will entertain with a style show. Members of the Auxiliary will act as models, children are Mary Beth Vaun, Jackie and Gail Shadick, Charlene Garret and Cathy Kasteling. Others modeling are Miss Nancy Kamholtz, Mesdames Wesley Hayes, Joe Slavik, Art Hlavin, Dave Kuiken, Horace Nolan and Fred Schwartz.

**METHODIST CHURCH SCHOOL RALLY DAY THIS SUNDAY**  
William Cain, church school superintendent, and the staff of the Methodist church school, have set this Sunday, Sept. 27, as Rally Day. All children and youth of the Community who do not attend other churches are cordially invited to attend. Church school begins at 9:30 a. m.

The church school attendance during the summer months of 1953 has shown a 17 per cent increase on the basis of the summer average for the past four years.

Elizabeth Haley, daughter of Mr. and Mrs. Thomas Haley, Jr., returned home after a week's vacation in Miami Beach, Florida.

**GRASS LAKE P. T. A.**  
The first meeting of the Grass Lake PTA started out with a bang, with more than 75 per cent of the registered members present.

The speaker, E. C. Cooney, Safety chairman, gave an interesting talk on safety, and showed posters to bring out the vital points of his speech. Carl Montegna, of the Round Lake Academy of Music, rendered accordion solos.

Mrs. G. Byrne and Mrs. R. Frasier, chairmen of the "Roast Beef Dinner" which the PTA is sponsoring on Sept. 27, from 1 p. m. to 3 p. m., report that the dinner should be a grand success. They have plenty of food, and hope that the public will come to make it a success, so they can buy the school children the playground equipment which is badly needed.

The PTA will also sponsor a "First Aid Training Course." Further details will be given when the Red Cross contacts President Mrs. F. Burke.

Mrs. R. Breuer is in charge of the "Horace Mann Mutual and Casualty Insurance for School Children." It is a low cost accident policy, being offered at Grass Lake for the pupils. We're looking forward to seeing all our neighbors and friends at the dinner Sunday.

## Altar, Rosary Society To Visit Monastery on Day of Recollection

The Altar and Rosary Society of St. Peter's church, under the direction of Mrs. Edward Dompke, retreat chairman, will hold a Day of Recollection on Wednesday, Sept. 30. The group will travel to St. Francis' monastery at Burlington, Wis., to spend the day on the grounds and in the chapel. The monks will escort the ladies along The Way of the Cross depicted by outdoor carved statues.

Cars will be available for transportation at 9:30 a. m. in front of the church.

October 4 will be Communion Sunday for women of the society. They will receive in a group at the 8 o'clock mass.

On Monday, Oct. 5, the society will hold its monthly meeting in the school hall at 8 p. m. Mrs. R. C. Yancey, study club chairman has planned a program expected to be interesting and informative. Members may bring guests.

## Disabled Vets Urged To File for Benefits

Springfield, Ill.—Illinois veterans who have been retired from military service since Oct. 1, 1949 with disability severance pay and who have not filed claim for benefits with the Veterans Administration, were urged today to do so immediately to protect themselves or their dependents from government "restrictions."

Willard A. Manning, administrator of the Illinois Veterans' commission pointed out that where severance pay is granted to veterans with less than 30 per cent disability, the VA deducts an equal amount from compensation to which the veteran or his dependents might become entitled.

As an example, Manning said, a veteran who is rated as 20 per cent disabled and files for benefits immediately after separation from service and is awarded \$30 monthly may have to wait several years before his severance pay "indebtedness" is reduced to the point where he will start receiving a monthly compensation check.

The important thing is that the waiting period starts only when the veteran files for benefits. If he waits ten years before filing he would still have the restrictive waiting period to go through.

The office is open daily between the hours of 8:30 a. m. and 5 p. m., and on Saturday until noon.

## Antioch Beats . . .

(Continued from page 1)  
times for 43 yards and an average of 5 yards plus. Ducha carried the ball once for 8 yards.

Terry completed three forward passes.

Antioch had a total of 230 yards gain from scrimmage in contrast to 14 yards loss for Wilmot.

**Underclassmen Win Also**  
The Antioch sophomore-freshman team got off to a good season's start by winning the preliminary from the Wauconda underclassmen 12 to 0.

The scores were made when Al Reckers, quarterback, tossed a 15 yard pass to Frank Walsh who ran 12 yards for a touchdown, and when Don Schroeder went 40 yards for a touchdown.

The probable lineup for the Palatine game will be as follows:

Henry Kapell	C	Robt. Johnson
Joe Pechoulis	RG	Robt. McKee
Joe Gutowski	LG	John Walsweir
Jim McMillen	RT	D. Hildebrandt
Ben Floyd	RE	Larry Hopke
Dick Hedberg		
Tom McGreal	LT	Carl Nuss
Phil Vos	LE	Bill Breyer

Frank Shissler, brother of Mrs. Harvey Strange, arrived in Antioch Tuesday for a visit with Fr. Strange and family. Mr. Shissler recently received an honorable discharge from the U. S. Marines.

**Plan Benefit for School**  
The Channel Lake Community club will sponsor a party at 8 p. m. Saturday in the B.Z.B. tavern. Profit from games and refreshments will be used for the benefit of the Channel Lake school. Planning the party are Mrs. Agnes Van Patten, Mrs. Marie Hucker, Mrs. Jackie Zerr, and Mrs. Marine Dahlman.

## County Commission . .

(Continued from page 1)  
company" mean automatic deferment as in the past.

The jury commission has provided 288 jurors for circuit court service, 140 for the county court, and 78 for the grand jury since its inception. This includes the September call.

There has been a noticeable upturn in the quality of the jurors since the jury system was appointed and many hours are saved each trial in selecting juries because the obviously unsuited have already been screened.

The circuit court requires the greatest number of jurors, because at times two juries may be serving simultaneously. Moreover, the circuit court has more jury trials than does the county court. Felonies and civil cases involving sums in excess of \$2000 are brought before the circuit court, whereas the county court's jurisdiction is restricted to misdemeanors requiring sentences up to one year at the state farm or county jail, or lesser sums in civil cases.

## Judges Praise New System

Circuit Judges William M. Carroll, of Woodstock, and Bernard M. Decker have joined members of the bar in their praise of the new system which not only speeds up the calling and selection of jurors, but gives both parties to a court action a better chance at a fair trial because of the better caliber jurors.

The law requires that the active jury list be made up of 5 per cent of the registered voters from each of the 133 precincts in the county in rotation according to a key given by the supervisory committee. These are sent a questionnaire to be filled out and brought in to the office personally, at a stated time, where they are interviewed as to their fitness by one of the commissioners. If qualified, their names go on a card which is put in the jury box and when a call is made, the cards are drawn out by the clerk of the court who is blindfolded, in the presence of one judge, one commissioner and the jury clerk. The cards are then put on the venire list which is made up in the office of the clerk of the court requiring the jurors, and given to the sheriff who sends out the summons by mail.

The representatives of the commission for this territory, Mr. Alfred D. Smith, has done outstanding work in personally interviewing hundreds of prospective jurors. The fine cooperation evidenced by the voters in this area whose names have been selected, is much appreciated by the supervisory committee and the jury commission.

### More Darkness to Cause More Traffic Accidents

Longer hours of darkness, increasing the need for greater driving care will be in effect after Daylight Saving Time ends at 2 a. m. Sunday.

Charles M. Hayes, president of the Chicago Motor Club, pointed out that the need for greater driving care at night is highlighted by the fact that three out of every five traffic fatalities occur after dark. This is true, he said, although only 30 per cent of driving is done at night.

At night many pedestrians, looking at the bright headlights of an oncoming car, feel sure that they are being seen by the driver. What they don't realize is that if their background is as dark or darker than they are and they are wearing dark clothing less than five per cent of the light which falls on them is reflected back to the driver's eyes. Rain, mist, fog, a dirty windshield and inefficient headlights further reduce the driver's visibility.

Hayes urges motorists to cut down driving speeds which, while safe during clear weather, may be excessive under autumn driving conditions.

### Grade PTA Hears Antioch's History

Antioch Grade School PTA members heard an interesting talk concerning the history of Antioch village at a meeting held Monday evening. Principal Richard Whitacre delivered the speech.

Other business of the meeting included appointment of a committee to procure radio-phonograph combinations for the school, and a committee for the annual card party and dance.

Date set for the party and dance is set for Saturday, Nov. 14, with Mrs. Richard Eckert as committee chairman. Mrs. Frank Kennedy will be refreshment committee chairman.

### To Open Dental Office

Frank Nejdil has relinquished his office space at 439½ Lake st., which has made possible the reopening of a dental office by Dr. B. H. Berke. Dr. Berke practiced dentistry here before being called into the armed forces about nine months ago. He will resume practice within the next two weeks.

### Enrollment Grows

Continued registration at the Antioch Grade School increased the enrollment during the past week to 472. This is 14 more pupils than at the same time last year.

### GAVIN P. T. A. HOLDS FIRST MEETING OF SEASON TUESDAY

Parents and teachers of Gavin school held the first meeting of the 1953-54 season in the school gym on Sept. 15th at 8:00 o'clock p. m. The annual Smorgasbord, a fund raising project, was officially O. K'd for Saturday, October 3rd. Help was sought for Scout work, both Boy and Girl Scouts desperately need leaders. Mr. Alfred Jilly spoke briefly on the tax vote to be held Saturday, Sept. 19th to enable Gavin to operate on a loan free basis. Mrs. Soder, head cook for Gavin's newly resumed hot lunch program spoke on the basic foods she will be required by the state to include in hot lunches. Mr. Kennel, superintendent, announced the arrival of the new kitchen equipment, including an electric dishwasher.

The panel of teachers, feature attraction of the evening included teachers from the kindergarten through the eighth grade as follows: Kindergarten, Harriet Westlund; first grade, Emma Orr and Natalie Nelson; second grade, Beverly Hook and Mrs. Mary Harris; third grade, Audrey Nemanich and Mrs. Carl Anderson; fourth grade, Jean Werhan and Mrs. Carlie Edmundson; fifth grade, Julia Melee and Lucy Kennel; sixth grade, Mrs. H. Rades; sixth and seventh combination, Helen Cremin; seventh grade, Roberta Knirsch; eighth grade, Robert Bricker, who will also handle athletics. A speech teacher, Miss Maxine Diamond, and John Hodge, music department, complete the list.

The meeting then adjourned to the lunchroom where cake and coffee were served by the seventh grade mothers.

### 1000 Attend Game

More than one thousand spectators attended the opening football game of the season at the Sequoit Athletic field Saturday night. Ticket manager Melvin Stillson announced 550 pupil and 460 adult paid admissions.

Another large crowd is expected for the Palestine game to be played on the local field Saturday. The Junior Varsity game is scheduled to start at 8:15 o'clock.

### Seek Cause of Illness

Because he has had frequent convulsions following a fall a week ago, James Rockow, son of Mr. and Mrs. Jerry Rockow of 341 Hardin st., was taken to Victory Memorial hospital at Waukegan Tuesday for X-rays to see whether there is internal injury or not.

### Independent Tests Show New Studebaker Design Improves Performance

"During an impartial performance survey, test drivers held high praise for the Studebaker Land Cruiser, saying it possesses some of the most favorable aerodynamic qualities so far designed into an American production line car," A. L. Feyerabend of Amial Feyerabend, Inc., of 960 main st., announced today.

Mr. Feyerabend indicated that the impartial tests on Studebaker's 1953 model, revealed for the first time in the October issue of Science and Mechanics magazine, show that this solid performer, sometimes known as the car with the "continental slope" averaged 20.5 mpg on a controlled 5-gallon city and highway driving course for a traveled total of 102.5 miles. That's definitely substantial for a heavy-weight product.

Another feature is a safety-first gear arrangement that automatically disengages the gears if the gear selector lever is accidentally bumped into reverse while the car is moving forward in high gear.

In order to show how changes in design and parts actually affected the performance of Studebaker's '53 model, the Science and Mechanics tests compared results of a 1952 Commander model. In comparative panic brake stops, results showed an absence of slowing and fading in the Land Cruiser.

Performance reports on both these cars is one of a continuing series designed by this magazine to aid prospective buyers with practical information based on reliable scientific facts.

### Regal Erius

The title "Prince of Wales" was created by King Edward I of England more than 600 years ago, to appease the Welsh, after he had defeated them in battle. Edward "promised" the Welsh leaders a prince who could not speak a word of either French or English, in return for their loyalty to him. The Welsh, thinking he meant one of their own chieftains, agreed instantly. Whereupon, Edward, faithful to his promise, presented to them his newborn son as the first Prince of Wales.

### Set Bag Trend

Queen Elizabeth of England is credited with having put the rug in its place. By the queen's order, a large rug was spread over rushes on the floor of her throne room, according to historical researchers of Johnson's wax. Bumpy as the surface must have been, it set a fashion that endured, although the polished floor has now supplanted the rushes.

Give TB Skin Tests  
Tuberculosis skin tests were given pupils of the Antioch Grade School and students of the high school Tuesday. Those who react positive are entitled to an X-ray examination to learn whether they have an active case or not.

### Referendum Tues...

(continued from page 1)  
sulting in a reduction of county revenue.

In support of their claim to efficient management the supervisors point out that the county issued no tax anticipation warrants from 1935 to 1951 and that no bond issues have been voted since the funding bond issue of 1935, which put the county in the black.

The \$15,000 balance on this bond issue is the only outstanding county bond issue today.

### Adds Fifth Floor

During this time the Board has added a fifth floor to the county building; constructed a new building for the county home; made major alterations and improvements to the county hospital; built the county radio station and established what is considered one of the finest police radio systems in the country, and made extensive and long overdue major repairs to the county jail.

The county highway police department has been built up with added men and equipment; a county zoning and building department has been established and the map department has been added.

These have been of great benefit to the people of Lake county, but they have been achieved without additional county taxes or bond issues.

Other services added by the county include the jury commission, the voters registration office, and additional personnel in the county court probation and juvenile department.

In addition, the day to day services from the county departments have remained at a high level and are the source of frequent words of praise from people living outside Lake county who have business in the county house.

The increase asked in Tuesday's election will mean a tax boost of 15 cents for each \$1,000 of assessed valuation on individual tax bills.

Thus, if the valuation on your home is \$8,000, the average over the county, your tax bill will be increased \$1.20.

The record of the past 20 years should justify confidence that the additional \$90,000 the new rate of .062 cents would bring will be wisely spent, the supervisors believe.

**GETAWAY**

**"TT" DYNAFLOW!**

The 1953 Buick Super Riviera. Wire wheel covers, illustrated, optional at extra cost.

We'll get right to the point.

The comments we've been getting from new Buick owners about the new Twin-Turbine Dynaflo are terrific.

And the reason is—this fully automatic transmission is, in itself, terrific.

It has a new, firm, solid "take-hold"—gives you instant getaway response.

It has new quiet—you can barely hear the acceleration build-up.

It has unique and utter simplicity of operation. You just move your Selector into Drive range, press the pedal, and go. That's all.

But the sweetest thing of all about TT Dynaflo is its smoothness.

You move from standstill to your legal speed in one progressive build-up of power delivery.

You feel a constant "carry" of forward motion, unbroken in any way—because here no gearshifting takes place, either manually or automatically.

Even your deceleration is infinitely smooth and gradual, with the cushioned control of flowing oil slowing down.

Wouldn't you like to sample this wonderful new getaway and pleasant quiet and immaculate smoothness?

We'll be glad to seat you at the wheel of a new 1953 Buick with Twin-Turbine Dynaflo—and let the thrills come where they may. Drop in soon, won't you?

## Lake County Dairymen To Exhibit Herds at International Show

CHICAGO — Three nationally prominent Lake county dairy herds have made entries in the first International Dairy show which will be held here October 10 to 17, in the International Amphitheatre, show officials announced.

Burton Lake farm, owned by Oliver M. Burton, of Lake Forest, nationally known Illinois purebred Guernsey cattle establishment, will be represented by 22 head to compete for national honors in the contest of this breed at the Chicago show.

Burton Lake farm has made an outstanding record at recent major state fairs in the midwest.

Their victories include grand champion cow at the 1953 Illinois, Wisconsin, Iowa, and Nebraska state fairs. This herd also won the Premier exhibitor award at the 1953 Northern Illinois Parish show and at the recent Illinois and Iowa State fairs.

Another outstanding Lake county entry is that of Elmwood Farms, Deerfield, owned by Robert V. Rasmussen. He will exhibit 28 purebred Holsteins. The Elmwood herd for many years has been among the nation's tops both in the show ring and in high production.

The third herd of national note entered from the county is from Lakewood Farm, owned by Malcolm J. Boyle, of Mundelein. He will exhibit 12 head of registered Guernseys.

Lakewood Farm has been among the top winners at major state fairs and national shows. Included in this show herd is a 4-year-old cow, Hagan Farms Herry Song, winner at last year's National Dairy Cattle congress.

Mr. Boyle is a member of the Board of Directors of the International Dairy Show.

Robert S. Staller, of Libertyville, has also entered Guernseys.

Color, excitement, and romance of the old West will return to Chicago's International Amphitheatre when one of the nation's top rodeos will be held in conjunction with the Dairy show as an evening entertainment feature during the 8-day run of the show.

The management reports that the rodeo has been approved for annual championship points by the Rodeo Cowboys Association of Denver. They will compete for \$17,000 in cash prizes in five events: Saddle bronc-riding, bareback riding, calf-roping, steer-wrestling, and Brahma bull riding.

### Suffers Broken Hip

Albert L. Samson suffered a broken hip a week ago when he fell on the sidewalk in Chicago. He was taken to Condell Memorial hospital in Libertyville. His condition is reported as being good today.

Fifteen men members of St. Peter's church will journey to St. Francis Retreat House, Mays Lake, Hinsdale, Ill., over the weekend for a retreat. They will leave Antioch on Friday evening and return Sunday evening.

## SHORT STORY

### Bridal Blues

By Rob E. Mack

MOM, I'm scared. The wedding's tomorrow and all of a sudden, I'm scared. I just don't feel like a bride should." Holly sat on the bed, looking only half her twenty years in pink flowered pajamas and brown pin-curls.

"Nonsense, darling!" her mother laughed. "You're just running true to form. There's never been a bride yet, who didn't suffer these night-before-litters.

It's a tradition." Holly's blue eyes looked dubious. "Did you have them?"

"Of course. Goodness, your father never knew how close I came to backing out!" She gave Holly a reassuring hug and kiss. "Go to sleep now, baby. You'll feel wonderful in the morning." She turned off the light and closed the door.

With a deep sigh, Holly fumbled in the dark for her slippers and

"What is this strange new fear inside me?" Holly wondered.

crossed to the open window. An autumn breeze rippled the white curtains. A locust droned high in the old elm tree, and the air smelled of dry leaves. Across the lawn, stood Ken's house, where the Adams family had lived since Holly was eight and Ken was eleven.

"What is this strange new fear inside me?" Holly wondered. "All my life, I've wanted to grow up and marry Ken. We love and understand each other so well. Why should I be afraid now?"

A car pulled into the Adams driveway and rolled quietly toward the garage. It was Ken, returning from his bachelor party. Jumping up, Holly snatched her tweed coat from the closet and ran lightly down the stairs.

"Ken!" she called softly, running across the lawn.

He was just locking the garage, and turned at the sound of her voice, peering through the darkness. "Hi, angel!" he said, holding out his arms. "I'm glad you're here—I wanted to have a little talk with you." His deep voice sounded nervous and worried.

Holly gave him a quick hug. "Let's sit under the tree, so we won't disturb the folks." Holding hands, they moved to the circular bench under the old elm.

"What did you want to talk about?" asked Holly.

Ken cleared his throat. "Well... I don't know quite how to say you're ready for marriage? I mean, you've never really dated anyone but me. The fellows were kidding about that tonight at the party. I never thought much of it before, but—" He stopped, embarrassed.

"But what, darling?" Holly prompted. He turned, cupping her chin in one hand and searching for her eyes in the leafy shadows.

"Holly, are you marrying me because you love me, or because our parents planned it this way from the day we met? No, wait—don't answer yet. Think a minute. You know how it's been all our lives. Holly and Ken, Ken and Holly. No one ever thought of us separately—always in one breath. We celebrated our birthdays and holidays together, your folks and mine. You went to all the school proms and games with me. Even those two years I was in the Army, you refused to date the other fellows. Mom used to write me about that. So—well, don't you see, honey? You've had no one to compare me with. How can you be sure I'm the one you want to marry?"

Holly smiled to herself in the darkness and softly kissed his face. She knew now what the strange fear had been in her heart, only minutes ago. Ken had just put it into words and by doing so, had erased the fear completely!

"I've always been sure it was you. There's never been a doubt in my heart," she lied. He held her tighter.

Holly jumped after a long moment of silence. "Goodness! The wedding's tomorrow—or rather, today. I'd better get forty winks. If you don't want a baggy-eyed bride. 'Night, darling—and stop worrying. I love you."

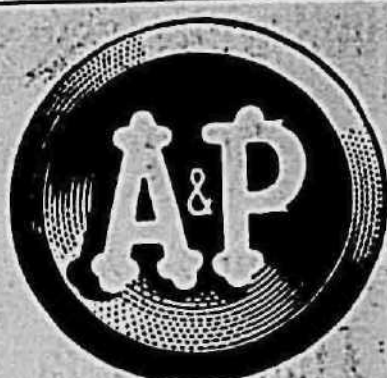

Darting back across the lawn, Holly felt exactly the way a bride-to-be should.
